Research Riset

We contribute actively to the urban research community through our work on (EU) Research Projects, publications, academic exchange, and strong network of academic professionals.

Kami berkontribusi aktif terhadap komunitas riset melalui kinerja kami (Uni Eropa): proyek riset, publikasi, pertukaran akademis, jaringan profesional akademis yang kuat

Practice Praktik

We support public and private institutions through a variety of programmes, including the Urban Planning Advisory Teams (UPATs), technical assistance and review, building upon over 55 years of knowledge generation.

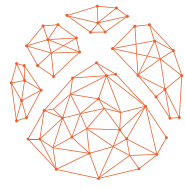

Kami mendukung institusi publik dan swasta melalui beragam program termasuk Urban Planning Advisory Teams (UPATs), asistensi teknis dan penelaahan yang didasari oleh pengalaman kami menciptakan pengetahuan lebih dari 55 tahun.

Academy Akademi

Through our ISOCARP Institute Academy we facilitate our vast network and train young professionals and public representatives through our Young Planning Professionals Programme, seminars, and online education.

Melalui Akademi ISOCARP Institute, kami memfasilitasi jaringan kami yang luas dan melatih profesional muda dan perwakilan publik melalui kegiatan Program Perencana Profesional Muda, seminar dan pelatihan daring.
